

CSI–Cartesian Surveys Inc. has participated in the Making Strides Against Breast Cancer walk by the American Cancer Society for the last four years, and with your help, last year we raised \$7720.00!

This year, we hope to increase that contribution.

***HERE IS WHAT YOU
CAN DO TO HELP!***

Place an order with CSI for a non discounted ILR within Albuquerque or Rio Rancho city limits, between January 1, 2013 and April 30, 2013, that is paid in full by April 30, 2013, and CSI will donate 10%* to the Making Strides campaign.
